

# Live webinar

BCA-WA-ETHICS II is part of the EDCTP 2 programme, supported by the European Union under grant number CSA2020ERC-3079

## Sex and gender data visualization for health research: part I

In this webinar, we are going to learn the fundamentals of the GBDcompare software, developed by the University of Washington. We will use it to retrieve and visualize sex-disaggregated data related to health research.

N.B. It is mandatory to connect using a laptop or personal computer.

09 MARCH 2022  
14H - 16H GMT

**Facilitated by**  
**Farah Nabil, B.Pharm, MSC.**

Research Associate & Project Manager of BCA-WA-ETHICS II at the University of Zaragoza, Spain. She is a gender trainer and specialises in sex-and gender based analysis of research and health interventions.
